XCLUSIVE LIFESTYLE MANAGEMENT

Capability Statement

Data Center and Construction Project Services

01 Overview

One dependable partner for contractors, subcontractors and project personnel on data center and construction projects, keeping jobsites staffed, supplied and on schedule.

02 Core services

Workforce concierge

Lodging and transportation coordination, errands and daily-living support, onboarding and local orientation for traveling project personnel.

Material procurement

Tools, PPE and consumables, supplier sourcing and pricing, order tracking and receiving.

Site logistics

Laydown and staging support, crew and equipment coordination, vendor and visitor scheduling.

Commercial cleaning

Progressive construction cleaning, final and turnover cleaning, offices, trailers and break areas.

Time-sensitive deliveries

Same-day and rush requests, scheduled supply runs, delivery confirmation updates.

Custom project packages

Any of the above bundled under one commercial service agreement, scaled to project phase and headcount.

XCLUSIVE LIFESTYLE MANAGEMENT
